

John Fogerty – Big train (from Memphis (1985))

When I was young, I spent my summer days playin' on the track
The sound of the wheels rollin' on the steel took me out, took me back

Big Train from Memphis, Big Train from Memphis
Now it's gone gone gone gone gone gone

Like no one before, he let out a roar, and I just had to tag along
Each night I went to bed with the sound in my head, and the dream was a song

Well I've rode 'em in and back out again - you know what they say about trains
But I'm tellin' you when that Memphis train came through
This ol' world was not the same
