

**Ben Harper & the Innocent Criminals – Fool for a lonesome train (2007)**

It's late and i can't sleep  
I've made promises i can't keep  
Cobblestones and broken bones  
Has a kingdom but he's got  
No home  
Last night is still ringin' in my head  
Like that lonesome whistle in  
The rain

I'm a fool for a lonesome train

The lifetimes we've left behind  
With strangers  
Promises and lies both have  
Their dangers  
I just can't be wrong enough  
And i can't hide for long enough  
So far away but i still feel  
Your pain

I'm a fool for a lonesome train  
I'd try to say good-bye  
But i never got your name  
I'm a fool for a lonesome train

I'm a fool for a lonesome train  
I'm your fool for a lonesome train  
I know it sounds crazy but i'm  
Painfully sane  
I'm your fool for a lonesome train
