

**Blue Nile – From a late night train (1989)**

From a late night train  
Reflected in the water  
When all the rainy pavement  
Lead to you  
It's over now  
I know it's over  
But I can't let go

The cigarettes, the magazines  
All stacked up in the rain  
There doesn't seem to be a funny side  
It's over now  
I know it's over  
But I can't let go

From a late night train  
The little towns go rolling by  
And people in the station  
Going home  
It's over now  
I know it's over  
But I love you so
