

**Glenn Kaiser – Gonna meet you at the station (2001)**

Gonna meet you at the station  
Gonna leave when the train pulls out  
Meet you at the station  
Gonna roll with a jump and shout  
Gonna pack as fast as lightnin'  
With my spirit cryin' out

Gonna leave this tragedy  
Go beyond this veil of tears  
Beyond this tragedy  
Rollin' far from all my fears  
Far away from enemies  
With my rider oh so dear  
At the station, gonna meet you

Won't you meet me at the station  
Won't you rock me down the track  
Come an? greet me at the station  
We ain't never comin' back

Gonna meet ya  
Will you meet me at the station  
Won't you rock me down the track  
Come an' greet me at the station  
We ain't never comin' back  
Through the moonlight we'll be flyin'  
To a place there ain't no lack  
Ain't no lack  
Ain't no lack
